PREFACE

These Bible records have been made from Bibles of members of the Julia Watkins Brass Chapter, Green Point, Indiana, from Bibles of local persons who were interested in our project, and from records not previously recorded.

1676216

Some of the records are from quite old Bibles, while others are very recent. It was felt that all offered records should be included. Too often of late, people are not interested in the preservation of records. This was an opportunity to record data that would well be lost.

Material has been compiled by Frances Helmerich Tabbile, (Mrs. William A.) with the help of the chapter committee during the years 1960 and 1961.
